Dear Friends,

I hope you all are enjoying our beautiful spring and summer. There are so many opportunities for you to get active, involved and socialize. Stop in the Center and you’ll see why we are “A place where friends become family”. We hope you find something that interests you in our newsletter.

Start organizing and clearing out closets as we have a SAVERS FUNraiser on Tuesday, June 26. Bring all your donations to the Center that day.

We are having a 3rd Fashion Show, “What a Wonderful World”, on September 14, and are looking for members for a Planning Committee and models! This is your opportunity to break into modeling.

The Wayne Township Senior Center will be running the Bartlett Bingo Tent again this year on Saturday, July 7. This was a great fundraiser for us. Volunteer to sell bingo cards or stop in and say “hi”.

I came across this poem and loved it so much I wanted to share it with you……..

Promise Yourself by Christian D. Larson

To look at the sunny side of everything and make your optimism come true. To give every living creature you meet a smile. To give so much time to the improvement of yourself that you have no time to criticize others. To be too large for worry, too noble for anger, too strong for fear and too happy to permit the presence of trouble.

Dear Seniors,

Everyone with Medicare will receive a new Medicare card. There are a total of 7 waves and the first wave has gone out. Illinois is in the 3rd wave and will not begin receiving them until after June 2018. The new cards will not have your social security number on it but will have a much safer unique number designed to protect your identity.

Your card will arrive by mail. Please make sure your address is up to date with Social Security. You can update your address online by going to the medicare.gov website. Medicare will never ask for any personal information so be aware of scams! If you want to know when your new card will arrive, you can sign up to get an email by going to medicare.gov/newcard. It takes about a month for each area to receive their cards, so don’t be alarmed if your friend receives theirs before you.

Finally, once your card arrives, destroy your old one. You can begin using the new one right away. Treat it like you would a credit card. Keep it safe but you don’t have to lock it up as before.

If you have any Medicare concerns, please schedule an appointment with one of our S.H.I.P. Counselors.

Stay Healthy!

**Hemp Seed Oil**

Hemp oil or hempseed oil is obtained by pressing hemp seeds and should not be confused with hash oil. Refined hempseed oil is primarily used in body care products such as soaps, shampoos and detergents. Industrial hempseed oil is used in lubricants, paints, inks, fuel and plastics.

Hempseed oil is of high nutritional value because of its 3:1 ratio of Omega 6 to Omega 3 essential fatty acids, which matches the balance required by the human body. It has also received attention in recent years as a possible feedstock for the large-scale production of biodiesel. About 30 - 35% of the weight of hempseed is an edible oil that contains about 80% as essential fatty acids, the highest of any plant.

A Message From the Supervisor  
630-231-7140
Spring has sprung!
We had a lot of wet weather the last few weeks with dips in temperature but it looks like spring is here to stay! With that, the flowers are bursting into site and low and behold so is our electronic sign! We had a wild ride to get this finished but it looks great and I am hearing around the County that people are seeing it and liking it. We are on the map!

With the warmer weather, there will be more activities outside so it will be important to keep an eye out for children and pets. The WAYS’ Summer Camp program will be starting so there will be more activity around the facility. Our agreement with the Carol Stream Park District allows usage of our lot for their sport programs to the east. Be diligent and aware as you drive through to get to the Senior Center.

I have made contact with IDOT and we are working on changing the grade for the exit from the parking lot. My hope is that we will accomplish this when the parking lot is resurfaced after the construction project is finished. As a reminder, enter the lot on the east side and exit on the west side of lot. Try not to drive on the shoulder; it is not a turn lane. I know it gets scary with the traffic but these are the rules of the road to abide by.

Get out and have fun but don’t forget the sunblock!

Randy Ramey, Wayne Township Supervisor

Kinder Morgan Grant- We want to thank the Kinder Morgan Foundation for awarding our office with a grant to purchase backpacks and to help fund the cost of summer tutoring to ten low-income children. We will be partnering with WAYS to provide in-house tutoring.

Utility Assistance- If you need help paying your gas bill, contact NICOR Sharing at 630-377-2769, ext. 20.

Summer Cooling Program- There will be no funding for LIHEAP’s Summer Cooling Program this year. Check back to see if anything changes in late June/early July.

Food Pantry  
630-231-7173

Thank you so much for your generous support! You continually help us fulfill our mission of helping our neighbors in need.

Food Pantry Expansion Project- Our food pantry received a grant for $335,000 to help us expand the size of our pantry and increase the amount of fresh perishable foods we distribute. The total cost of the pantry expansion is approximately $511,000, therefore, we are launching a capital campaign to help raise additional funds to help offset the cost of the project. Please help us spread the word to your friends, family and neighbors about our need. Since we are a not-for-profit pantry, donations are tax-deductible as allowed by law. Please contact Juanita Martinez, Joan Mruk or Randy Ramey if you need additional information. Please help us reach our fundraising goal of $211,000!

Food Pantry Distributions- The food pantry area will be closed during construction, however, food distributions will still be taking place in the form of monthly mobile pantries. We will need volunteers to help us distribute food each month until we resume distribution in the new pantry area. The mobile pantries will be held outside and food products will be distributed during a two-hour window of time. Details will follow as soon as we get the construction schedule.

Clothes Closet- The Clothes Closet will also have a new home once the pantry construction is completed. As of now, the closet has been temporarily moved to the front of the building and will eventually close down during the food pantry construction. For now, we will continue accepting donations of new/gently used men’s, women’s and

children’s clothing, shoes, household items, etc.

**Monthly Meeting Pantry Donations** - In lieu of food products, we are asking for monetary donations for the months of June and July to purchase food once the pantry reopens. THANK YOU!

**2017 Tax Bills**

Tax bills were recently mailed to all DuPage County property owners. The first installment is due June 1 and the second on September 1.

**2018 Assessments**

My staff and I hope to complete the 2018 assessments in late summer or early fall. As a reminder, assessed value increases applied uniformly across the township do not cause tax increases.

**Senior Homestead Exemptions**

Status forms were mailed to all recipients of the Senior Citizens Homestead. Please return the cards by mail to the Supervisor of Assessments’ office or in person to my office. If you will be turning 65 during 2018, you can apply for this exemption at my office. Please bring proof of age and proof of ownership.

Applications are also available for the Senior Citizens Assessment Freeze Exemption.

My staff and I are here to assist you in applying for these tax-saving exemptions. Please call my office if you have questions.
