Dear Friends,

Happy New Year! The years keep flying by whether we are ready for them or not. Now is the time to reflect on the happy memories you have from 2018 and set a few goals for 2019. Make some quiet time and contemplate what is really important to you. Do you want more family time? Would you like to learn a new hobby or interest? Would you like to read more books? I just read a study that said 30 minutes of movement 3 times a week can help increase brain activity! Not just physical improvements but also mental improvements. Possibly a goal for you is to be more active. Lots of these goals are achievable IF you want to do them. That is why I think reflecting on your goals is helpful and then you can make a plan.

A reminder that AARP Tax preparers offer free appointments to Wayne Township members. Please call to make an appointment.

Wishing you a year ahead of good health and happiness, and we look forward to seeing you at the Center.

Stay well my friends, Love Gayle

**Lunch and “The Producers”**  
**Wednesday, March 13, 2019**  
**Paramount Theatre, Aurora, IL**

Under the right circumstances, a producer could make more money with a flop than he could with a hit. And so begins one of the most hilarious cons in musical theatre history. Max Bialystock used to be the king of Broadway, but after producing one too many flops, he’s now just a has-been forced into seducing little old ladies for money. Max goes in search of the worst musical ever. Will it be a flop? It better, or they might find themselves in prison.

“The Producers” is an uproariously funny musical with hilarious songs that will have you grinning from ear to ear throughout.

Lunch at the Meyer Ballroom includes: garden salad, rolls, meatloaf, roasted red potatoes, green beans, and cookies and brownies for dessert.

We are trying something different for this theater trip. To keep the cost very low, we are offering bus transportation and an afternoon at the theater (half priced tickets). Please eat lunch before the show.

Evan Taylor, an 11 year old orphan, believes in music like some believe in fairytales. In a cruel twist of fate, Evan’s mother, an accomplished classical cellist, and his father, the lead singer of a rock band, don’t even know he exists in this world. Evan does not give up hope as he relentlessly searches for the parents he knows need him. Discovering he too is a musical prodigy, Evan surrenders himself to the symphony of sounds and follows the music.

Dear Seniors,

Happy New Year!

Some great things are happening with Medicare in 2019. The donut hole is closing this year, a year earlier for brand-name drugs and in 2020 for generic drugs. The therapy cap that limited coverage for physical, speech, and occupational therapy is gone. The Medicare and You guide has been updated and will be easier to read and will include charts and checklists.

It is so important to read your Medicare and You guide and your insurance book to see what benefits are offered. Besides hearing, vision, and dental coverage that some Advantage plans offer, some are adding more benefits this year such as transportation for doctor visits, meals delivered to the home and safety feature installation. These features may not be available with your plan this year but it’s something to look into for the coming year.

As always, if you have any questions or concerns, please schedule an appointment with one of our S.H.I.P. Counselors.

Stay Healthy!

A Message From the Supervisor

Winter Is Coming?
We have really had it lucky so far but don’t get complacent. It is best to be prepared before the temperatures dip and the snow falls. Make sure your cars are in good working order, your home has proper heating and you know who to contact if an issue occurs. You could always go to Florida and leave it all behind.

Progress on our building project has been slow but things are looking up! The money from the grant has appeared so we are able to put bid packages together and get permits from the Village of Carol Stream. Vendors have been contacted and informed of the scope of work. With what winter we will have it is believed the project could get started the beginning of March.

Recently, we have started to manage the Wayne Township Cemetery. If you were unaware, the cemetery is on Smith Rd. just west of Klein Rd. in West Chicago. We have 40 veterans buried there and many familiar families known throughout the township. We thank Mickey Auer, Pat Musson and Cindy Zydowsky for their service to the board. The cemetery has been around since 1840 and is rich with history.

Keep up your activities at the Senior Center and invite others to join in. We have something for everyone!

Be Safe,
Randy Ramey, Wayne Township Supervisor

General Assistance and Food Pantry
630-231-7173

Services Provided
The General Assistance department provides financial assistance to indigent residents of Wayne Township who meet the program criteria and can demonstrate the need for rental assistance or utility assistance for gas, electric and/or water, casework and advocacy of federal, state and local public benefit programs, LIHEAP applications and information & referral to other service providers.

The Wayne Township Food Pantry is part of the Wayne Township Pantry & Senior Services NFP. We are a 501c3 Not-for-Profit organization that provides basic needs services to Wayne Township residents and transient individuals. We have weekly food distributions, a Clothes Closet with gently used clothing and household items and help for families applying for SNAP & Medicaid. We administer the holiday assistance programs for Easter, Thanksgiving and Christmas for families in need. Our annual Project Backpack distributes backpacks and school supplies to over 100 children and we host 3-4 Mobile Pantries each year where we distribute a minimum of 7,000 pounds of food to families in our community.

THANK YOU! To all of you who donated toward the food pantry, the holiday meal boxes and/or the Mitten Tree during the holidays. Please know that you make a POSITIVE difference in the lives of those affected by poverty. We are very proud of the response we get from you when we ask for help to provide for our neighbors in need and we want to thank you so much for allowing us the opportunity to work with you as we all do our part to strengthen our community. A special “thank you” to Joyce and Richard Jendrycki for their fundraising efforts toward the Holiday Meal Boxes!

Volunteers needed: ● to pick up bread and fresh produce every other Tuesday morning ● on-call receptionist to cover phones when staff is at meetings ● help to receive, sort and organize monthly food deliveries. Please contact our office for details.

Senior Citizens Homestead Exemption
This exemption is available to residents who will be age 65 or older during the assessment year. New applicants should bring proof of age, such as a driver’s license or birth certificate, and proof of ownership, such as the deed or title policy for the property. If your property is in trust, please bring copies of both the Deed in Trust and the Trust Agreement. For tax year 2018 (payable 2019), this exemption will reduce the assessment by $5,000, multiplied by the tax rate.

Senior Citizens Assessment Freeze Exemption
Applications for this exemption for the 2019 tax bill, payable in 2020, will be available in April. Applications will be mailed to those who qualified for the exemption for 2018 and will be available in my office for new applicants. The application deadline is October 1, 2019. This exemption is available to senior citizens who will be 65 or older during 2019, who owned and occupied the property on January 1, 2018 and January 1, 2019, with a maximum household income of $65,000.

To apply, the senior must provide proof of age and ownership (see above) and complete an application itemizing his/her 2018 total household income. For assistance in completing the application, please bring your 2018 S.S.A.-1099 and U.S. 1040 forms, if applicable.

As a reminder, this exemption does not freeze the tax bill. The assessed value is frozen at the base year, and the exemption amount increases each year the assessment increases.

Senior Citizens Real Estate Tax Deferral Program
This program allows qualified Senior Citizens to defer their property taxes. The deferred taxes are borrowed against the property’s market value, and must be repaid with interest within one year of the sale of the property or the settlement of the estate. To qualify for the Tax Deferral Program for the 2018 tax
Township Happenings / Fun Facts

bill, payable in 2019, an applicant must be age 65 or older by June 1, 2019, and have a total 2018 household income of $55,000 or less. An applicant must also have owned the property (or another qualifying property) for at least the last three years. The applicant must also have no delinquent property taxes or special assessments, and must provide proof of adequate insurance against fire and casualty loss.

The application deadline for this program is March 1, 2019; however, the Treasurer has requested that applications and documentation be provided to her office by February 22. For application forms, please call the Treasurer at (630)407-5900.
