

WAYNE TOWNSHIP SENIOR CENTER

"A PLACE WHERE FRIENDS BECOME FAMILY"

June / July / August 2019

Dear Friends,

Wayne Township Seniors are the most caring and empathetic group. I thank each of you for the good thoughts, prayers, texts, cards and concern sent my way after my recent surgery and rehab. It meant the world to me and I felt surrounded by love and support. The benefits of being part of a group have been proven to help with stress, depression, attitude and healing. The Center serves many functions beside entertainment and activities; we offer opportunities to socialize, support, assist others and to keep the ever important POSITIVE ATTITUDE.

Wayne Township supports our military! We are proud of the many residents of Wayne Township that have served our country and will proudly display your pictures on the wall of our remodeled Center. We also support the people currently serving in harms way, through Operation Support our Troops (OSOT). We have dedicated the month of May to the collection of supplies for care packages, with the goal of collecting 2,000 pounds of supplies. Judy Shanahan spearheads our volunteer efforts for the soldiers, which includes monthly letter writing, the comfort care box collection, and making and stuffing Christmas stockings to be sent overseas. It is a token of our thanks to support these men and women that sacrifice so much for our country. Thank you to all that have contributed in any way.

Please enjoy the new newsletter! Every 3 months, 4 times a year, our new newsletter will be released. We added an extra sheet to give you four more pages; another puzzle, extra calendars and other tidbits. We have put a lot of thought into the newsletter change and think it will benefit all of us.

Wishing you all good health and happiness, XO Gayle

Information/Sign-Up sheet in the Senior Center.

When we think of those companions
 Who traveled by our side
 Down life's road
 Let us not say with sadness
 That they left us behind -
 But rather say with gratitude
 That they were once with us.

Dear Seniors,

As many have heard, come 2020 there will no longer be any first dollar Medicare Supplement Plans. These are Plan C, F, and high deductible F. These plans are being discontinued because some members of Congress believe some beneficiaries are over-using healthcare services because the above plans don't have any out of pocket expenses. By making everyone pay the Medicare Part B deductible, it will discourage people from running to the doctor for minor ailments.

Alternatives for Plan C is Plan N and for Plan F is Plan G. Plan G has already become very popular and may be a cheaper alternative than Plan F. Plan G covers everything that Plan F covered after you pay the part B deductible. On the bright side, the part B deductible is \$185 in 2019 and may actually save you money without forfeiting benefits. However, anyone who is Medicare eligible, turning 65 before January 1, 2020 can still choose state Plan F or C, if they want.

If you enjoy helping people and are looking for a volunteer opportunity, please consider becoming a S.H.I.P. Counselor. Please see Karen for details.

If you have any Medicare concerns, schedule an appointment with one of our S.H.I.P. Counselors.

Township Happenings

A Message From the Supervisor

630-231-7140

THANK GOODNESS!

You may have noticed that construction has started. Both sides of the building are being worked upon so be careful as you enter and drive around the parking lot. It is anticipated that these projects will finish by the end of July; then we can start fixing the parking lot. A lot of activity is happening as we get things in order here at the township!

We have a new township deputy sheriff, Millie Stejskal. Millie has a good amount of experience and has a connection to Wayne Township. I will make sure she makes her appearances at the Senior Center. You are really going to like her!

Unfortunately HB348 has made its way to the Governor's desk. This bill deals with townships in McHenry and Lake County. The bill dealing with townships in DuPage County died in sub-committee. I appreciate all of your efforts to voice your opinion against this legislation. I have contacted the Governor's office to let him know of our opposition to this bill.

Eventually summer is going to get here. The children will be out of school so keep an eye out for them as they start running around. As the weather gets warmer, be sure to have your vehicles checked and that they are in good order. Proper fluid levels, tire air pressures and working air conditioners are important so that you don't break down. This also applies to your homes; be sure your air conditioners are working properly or that you have a plan in case something goes wrong. The township will be a great place to cool down!

Don't forget the Wayne Township Reuse/Recycle/Shred Event on Saturday, August 10th from 10am - noon. We will be collecting tattered American flags, inkjet cartridges, batteries (except household), eye glasses, cell phones and textiles such as sheets, purses, shoes, rags, towels, clothing.... Textiles will either be reused or recycled. Document shredding is limited to two boxes per car.

Be Safe,

Food Pantry Expansion Project- Please pardon our dust as we continue with the expansion of our food pantry. It is going well and we hope the weather cooperates so we can be ready to open our doors by the beginning of September.

Clothes Closet- Due to the food pantry and senior center renovation projects, our clothes closet is closed for donations and distribution. We will start accepting donations by mid-August. Please check the bulletin board by the General Assistance Office for exact dates.

We ask that you save your new/gently used clothing, shoes, household items, jewelry, linens, etc. and stay tuned for our drop off dates.

Volunteers- We are still looking for volunteers who will be ready to help in our food pantry and clothes closet when we re-open later this year. We also have a need for on-call volunteers to cover the phones in our office. Please call us for tentative dates and specific volunteer assignments.

Expansion Project Fundraiser- We are continuing to seek out funding donations to help pay for the food pantry expansion project. 100% of the donated funds will be used to pay for expansion costs. We are a not-for-profit organization and your donation can be deducted per IRS rules.

Volunteer Fundraiser Needed- We have a need for a volunteer to help raise awareness about our expansion projects and be in charge of distributing flyers throughout our community. Please call Juanita for more information.

Energy Assistance Program- NicorSharing is currently taking applications for assistance with Nicor bills. One-time annual grants are given, with no requirement to be paid back, to qualified residential customers who meet the required income guidelines. The Nicor Gas Sharing Program is administered by the Salvation Army and funded through direct contributions from Nicor Gas customers and employees. Please call 630-377-2769 ext. 209 for information.

Project Backpack- Starting in July we will be offering you an opportunity to sponsor a child with a backpack filled with school supplies. The cost for each backpack is \$16 and you may sponsor as many children as you would like. The backpacks will be distributed during our "Back to School" food distribution event in early August. Call our office for more information.

When you shop through  **amazon smile**, Amazon donates a percentage of your purchase to our organization. Visit smile.amazon.com, log into your Amazon account as usual, and select "**Wayne Township Pantry and Senior Services, NFP**" as the recipient of your donation. Then carry on with your shopping!

Thank You!- We want to thank all of you who have donated funds toward the food pantry at every senior monthly meeting. To date, you have raised approximately **\$2,100** of the \$4,000 estimated cost to restock the pantry when we re-open.

How Can You Help?- We need to build new relationships with local business partners who may want to support our seniors and low-income programs in various capacities. If you know any local business owners who may be looking for an opportunity to partner with a community organization, please refer them to us. Many township residents and businesses do

not know about the wonderful services we offer. Partnerships with local businesses enhance our programs and their services; it makes sense to come together and help build a stronger community.

New Website Coming Soon!- The Wayne Township Pantry & Senior Services, NFP will have its own website up and running within the next two months! Through the generous support of NJS Enterprises, Inc., we will have our very own website where you will be able to see our programs showcased, learn about program statistics, view our photo gallery and read testimonials about the impact of our programs. Please stay tuned!

Senior Citizens Homestead Exemption; New Procedure

As I am sure you have noticed, the DuPage County Supervisor of Assessments (SA) has changed its procedures for handing the renewal of the Senior Citizens Homestead Exemption. For most recipients this exemption will be automatically renewed.

The SA's office began mailing status forms in early May. Those forms only need to be returned if there was a change in ownership or residency status of the property.

The other exemptions, including the Senior Freeze Homestead Exemption, the Disabled Persons Exemption and the Disabled Veterans Exemption still require annual applications. These applications have been mailed to those who have previously applied for the exemptions. For new applicants, the forms are available in my office.

Senior Citizens Assessment Freeze Exemption

This exemption is available to Senior Citizens 65 and older during 2019, who owned and occupied the home on January 1, 2018, and on January 1, 2019, with total 2018 household income of \$65,000 or less.

My staff will be happy to assist you with your application. When you visit my office, please bring your 2018 SSA 1099 and US 1040 forms. To ensure timely processing of this exemption, please apply by the October 1, 2019, deadline.

Please call my office if you have questions about any of the Homestead Exemptions.

....About Our Members

An early job when I was 17 or 18 years old was as a restaurant server. One customer found fault with *everything* I did; the salad didn't have enough dressing, the coffee was cold, etc., etc. One day, when he complained about the spaghetti I served, I had enough and dumped the noodles on his head. Of course I was terminated on the spot, but his dining companions all laughed and said he deserved it. To this day I don't know if I got a tip; what do you think?
