"A PLACE WHERE FRIENDS BECOME FAMILY"

March / April / May 2020

Hello dear friends,

This newsletter will cover Senior Center activities for March, April, May and into June. We hope you survived our rather mild winter without many bumps and are looking forward to participating in our many offerings. Our recent presentation on Aging and Memory reminded us that staying active, involved and social is a great tactic for keeping sharp and youthful! Wayne Township offers something for all interests.

Wayne Township Seniors support our Military! We proudly display Wayne Township Veterans' pictures on our Hall of Honor at the Center. The month of May is dedicated as a collection month for supplies for care packages to send to soldiers in harm's way, again working with OSOT, Operation Support Our Troops. At the April 28th meeting, we will have a list available of the desired supplies and will collect them the entire month of May. The soldiers have been very grateful for the care packages, letters and Christmas stockings sent from Wayne Township. Judy Shanahan, who spearheads our volunteer efforts, has received many thank you notes from the appreciative soldiers. Thank you in advance for supporting the deserving project!

XO Gayle

Dear Seniors,

As many of you have heard, our vehicle stickers have gone up this year 50% to \$151. The good news is there is help for those of you on a lower income. Benefit Access has raised their income limits about \$6,000. Therefore, if you are 65 or older or disabled, and your income is under \$33,562 for a 1 person household, or under \$44,533 for a 2 person household, you should qualify for Benefit Access. This will give you a discount on your license plate sticker and qualify you for the Ride For Free pass. From now until April 15th applicants will use their 2018 income. Starting April 16th and going forward, 2019 income will be used.

Two of our S.H.I.P. Counselors will be retiring so we are looking for a few more Counselors. If anyone is interested, please see Karen. Thank you Joyce Rawlings and Kathy Budde for your years of service and best wishes to you both! You will be missed!

As always, if you have any questions or concerns, please schedule an appointment with one of our S.H.I.P. Counselors.

Stay Healthy! Your S.H.I.P. Counselors

Life Saver #46 From Dr. Tom Butter Nutrition 101

A well-researched report on January 1, 2000 claimed that butter can benefit:

- Heart disease
- Cancer
- The immune system
- Arthritis
- Osteoporosis
- The thyroid gland
- Gastrointestinal health
- Weight gain
- Children's growth and development

Aside from butter's delicious taste and rich flavor, research shows that eating butter can help you fight against heart disease and obesity. Here's what makes butter a superfood:

1. Butter is rich in vitamins
2. Butter contains healthy short-chain fatty acids
3. Butter is linked with lower risk of heart disease

Butter wins the health debate!

What is the 2020 Census?

The 2020 Census counts every person living in the 50 states, District of Columbia, and five U.S. territories. The count is conducted by the U.S. Census Bureau, a nonpartisan government agency. Each home will receive an invitation to respond to a short questionnaire - online, by phone, or by mail. Participating in the census is required by law, even if you recently completed another survey from the Census Bureau.

The census provides critical data that lawmakers, business owners, teachers, and many others use to provide daily services, products, and support for you and your community. Every year, billions of dollars in federal funding go to hospitals, fire departments, schools, roads, and other resources based on census data.

The results of the census also determine the number of seats each state will have in the U.S. House of Representatives, and they are used to draw congressional and state legislative districts.

It's also in the Constitution: Article 1, Section 2, mandates that the country conduct a count of its population once every 10 years. The 2020 Census will mark the 24th time that the country has counted its population since 1790.

The Census Bureau is bound by Title 13 of the U.S. Code to keep your information confidential. Under Title 13, the Census Bureau cannot release any identifiable information about you, your home, or your business, even to law enforcement agencies; you are kept anonymous. The law ensures that your private data is protected and that your answers cannot be used against you by any government agency or court. The answers you provide are used only to produce statistics.

Households will begin receiving official Census Bureau mail mid-March. The months of May - July, census takers will begin visiting homes that haven't responded to the 2020 Census. Visit <https://2020census.gov/en.html> for info.

A Message From the Supervisor

630-231-7140

Hello All!

Election Day, March 17, is fast approaching and it is important that you participate. You have a variety of ways to vote so you do not have to wait for that day itself, you know, like you're celebrating St. Patrick's Day! Early voting has started at the County Building. Other Early Voting sites will start March 3rd and the closest are at the Bartlett Park District or Stratford Square Mall. You can apply for a vote by mail ballot now and you do not need an excuse. Go to the DuPage County web site to register or ask Gayle for the forms.

We have been approved by IDOT to install the turn lane off of North Avenue. We are waiting for better weather to take care of that so the paint will dry correctly. With that, we will be sealing the parking lot with some re-striping. The parking spots were laid out incorrectly so I will have them re-position them and it will create more spots.

As spring approaches, children will get outside more to play. Be sure you pay attention while driving because they certainly are not watching for you.

Be Safe Out There!

Randy Ramey, Wayne Township Supervisor

General Assistance

630-231-7173

Where can you get help with heating costs?

The General Assistance Office now offers the NicorSharing Program to assist with a one-time grant on your Nicor bill. Eligible applicants must not have received assistance from LIHEAP. Seniors and veterans may receive a special grant if they meet the qualifying income guidelines.

The Low Income Home Energy Assistance Program (LIHEAP) is still accepting applications from low-income households who need assistance paying their gas and/or electric bills.

The Emergency Assistance Program offers a one-time grant within a 12-month period to households who meet the income guideline and other requirements. Assistance can be given for gas, electric, water and rent, if needed.

Call our office for additional information on the above programs and we can set you up with an appointment.

Where can you get help with home day care?

DuPage County Senior Services has caseworkers that can assess your needs and help access the care you need to stay at home and continue your quality of life with as little restrictions as possible. Contact them at 630-407-6500 and ask for an evaluation in your home.

Volunteer Needed

Our General Assistance Office is in need of a volunteer to cover our phones when our staff is out of the office. You must have excellent phone and customer service skills and must enjoy speaking with a diverse group of people. This is an on-call volunteer position. Please call our office if interested.

Food Pantry

630-231-7173

We want to thank you so much for the monthly donations of food and funds to help stock our pantry for our low-income neighbors in the community. The senior department is an integral part of the success of our programs and we are very fortunate to have you as our partners!

The food pantry is open on Wednesdays only from 10 am to 1:45 pm. The doors open at 9:30. You are required to fill out registration paperwork before using the pantry, and proof of address may be requested. You may use the pantry twice a month but may come in for bread and produce every week. You may also use the Clothes Closet on the same visit.

Food Pantry

We are continually seeking donations of the following products: sugar-free jelly, syrup, etc., low-sodium canned vegetables and soups, etc., gluten-free pastas, flour, snacks, etc., and pet food.

Clothes Closet

We are still accepting donations of winter coats and clothes thru March. Please bring your clean donations to our office on Mondays, Tuesdays, Thursdays or Fridays.

We will start accepting Spring and Summer clothing items in May. We also accept shoes, household items, linens, towels and toys, all year around. Make sure your donations are in great condition and clean before donating them.

2019 General Assessment Completed

My staff and I completed the 2019 General Assessment in November, 2019. Each neighborhood was reviewed and adjusted as needed to bring the median level of assessments to 33.33% (one-third) of market value, as required by Illinois Statute. The percentage of assessment change varied across the Township based on sales in each neighborhood.

The assessment list was published on December 4, 2019, and General Assessment Notices were mailed to all property owners. The final date to appeal a 2019 assessment was January 3, 2020. Appeal hearings were held in early February, and final Board of Review decisions will be mailed in early March.

Senior Citizens Homestead Exemption

The Supervisor of Assessments will mail Senior Homestead Exemption status forms to previous applicants in late April. Any changes in owner-occupants, such as due to a move or the death of an owner, must be noted on the card and the card returned. If there have been no changes in owner-occupants, the cards do not need to be returned.

If you will be turning 65 during 2020, you can apply for the Senior Homestead Exemption at any time during the year. Please bring proof of age (driver's license) and proof of ownership (Warranty Deed or Deed-In-Trust with Trust Agreement).

Senior Citizens Assessment Freeze Exemption

This exemption is available to Senior Citizens 65 and older during 2020, who owned and occupied the home on January 1, 2019, and January 1, 2020, with total household income of \$65,000 or less.

The Supervisor of Assessments will mail applications to previous recipients of the Senior Freeze Exemption in April. Applications will also be available in my office for new applicants after the April mailing. To apply, please bring your 2019 SSA 1099 and US 1040 Forms. The deadline to apply for this exemption for 2020 (tax bill payable 2021) is October 1, 2020.
