## "A Place Where Friends Become Family"

### December 2020

Hello Members!

In accordance with Governor Pritzker's updated Mitigation Plan, as of November 20th, we put all programs, events and exercise at the Senior Center on hold. We understand the importance of socialization and want to have interaction and activities for our members but we also have the need to maintain a safe and healthy environment and eliminate all possibilities of exposure for each of you as well. Staff will take this time to come up with new ideas and ways to keep everyone engaged as we all push through this next phase of mitigations. As the Governor updates the current guidelines, we will contact members via robo call to explain how it will effect our Senior Center.

Just know that our staff misses seeing your smiling faces and can't wait for the day when our center returns to its vibrant, chaotic, lively family atmosphere once again.

Happy Holidays to all of you! XOXO, Erin, Karen, Gayle and Sue
