## A Place Where Friends Become Family

October / November 2022

Hello Members!

It's the time of year when we start giving back to the community even MORE than we usually do! With that being said, we have eight different dates throughout the month of October where we are looking for volunteers to come to the Center to help make ornaments for the soldiers. The ornaments are donated to Operation Support Our Troops (OSOT) who then put them in stockings and ship to our service men and women overseas. Last year we made 400 ornaments. We are hoping to surpass that number so please join us for one, several, or all the available sessions and help represent Wayne Township Seniors as we give back to the community!

For those who don't know, our bocce ball court is ready. See the SC staff to get rules and equipment.

We have been taking suggestions to see where we should go on our next big trip. So far we have Italy, a Hawaiian Cruise, Ireland, Iceland and an Alaskan Cruise. Please continue to turn in your suggestions throughout the month of October after which I will choose a destination and get a trip planned. Our five day Memphis trip has 40 members attending! We are happy to say that our day and overnight trips have been filling up again nicely. We hope you enjoy this fun-filled newsletter and are ready for the upcoming day trips and several in-house events we have planned.

I saw this quote recently and it really made me stop and think so I want to share it with all of you. "Today, give someone one of your smiles. It may be the only sunshine they see all day." I love this. Please think about this and join in!

Smiles to everyone! Erin, Sue and Karen

## Lunch and Smoky the War Dog Presentation Thursday, November 3

In February 1944, in the midst of WWII, Smoky was found by an American soldier at the bottom of an abandoned fox hole in the Papua New Guinea jungle. Having unofficially served in the war for two years and saving hundreds of lives, Smoky became a decorated war hero, a famous entertainer, and the world's first official therapy dog of record; Smoky's life was nothing short of amazing.

This story is one that is inspirational, emotional, and a great tribute to our veterans, including all dogs of war.

Smoky's story is told by professional public speaker and skilled storyteller Adrian Brigham, who was a personal friend of Bill Wynne, Smoky's owner and trainer.

A light lunch from Subway prior to the presentation includes chips and a cookie.
